

# INTERNATIONAL AFFAIRS APPROVED COURSE LIST STUDY ABROAD PROGRAMS

**Fall 2021**

(updated March 2021)

- ST = Special Topics (Maximum credit amounts vary. Check Undergraduate Bulletin)
- Additional courses through FSU International Programs might be approved to count in the International Affairs major by special exception. Please contact [lmetcalf@fsu.edu](mailto:lmetcalf@fsu.edu) if taking a course abroad that is not included on this list that you hope to count in the IA major.
- Those credit hours earned by taking courses to fulfill the modern language requirement (which must be met by all international affairs majors) cannot be counted toward the international affairs major. Students may, however, earn credit toward the major for additional courses in modern languages.
- Note: It is the student's responsibility to verify course location, prerequisites, and requirement designations via course search and/or the Liberal Studies Course Search <http://liberalstudiescourses.fsu.edu/care/LS-courses/course-display.php>
