The Reva Daniels Metzinger Endowed Scholarships for Economics Majors

The Bill Peterson Endowed Scholarship for Distinguished Economics Majors

The Sharp Family Scholarship for Economics Majors

Application

Name ____________________________________________

Address ____________________________________________

Telephone __________________________ E-Mail Address ____________________________

To be eligible, you must submit this form with the documents described in the checklist below no later than Friday, April 5, 2019. All applicants will be considered for both awards, but eligibility for the Peterson award requires evidence of high school graduation with honors.

1. Résumé.

2. Transcript of all coursework completed showing your cumulative college GPA as of the end of Fall Semester 2018.

3. List of courses in which you are enrolled for Spring Semester 2019.

4. Letters of recommendation from two economics professors.

5. Statement of purpose (not a recapitulation of information available on your resume): Explain why you have chosen a major in economics, what you feel economics can contribute to your academic and professional development, and what you propose to do with your economics training.

To be eligible for the Sharp Family Scholarship, students must have demonstrated financial need. Applicants for the Sharp Family Scholarship must certify financial need by checking below:

6. I certify that I am receiving need-based financial aid. (These include but are not limited to Pell Grants, assistance from the Southern Scholarship Foundation, need-based grants or scholarships from the University or from private sources. Florida Bright Futures Scholarships ARE NOT need-based.)

To be eligible for the Peterson Endowed Scholarship, students must demonstrate that they graduated High School with Honors. Applicants for the Peterson Endowed Scholarship must certify high school graduation with Honors by checking below:

7. I certify that I graduated High School with honors.
