

Curriculum Vitae
WILLIAM G. WEISSERT

EDUCATION

1972 Ph.D., Government, The Claremont Graduate School,
Claremont, California

1968 M.S., Northwestern University, Evanston, Illinois

1967 B.S., Portland State University, Portland, Oregon

PROFESSIONAL EXPERIENCE

Aug. 03-Present Florida State University, Tallahassee, FL

Professor (tenured), Department of Political Science

Faculty Associate, The Claude Pepper Institute on Aging and Public Policy

Director, Masters of Public Health Degree Program

Aug 89-Aug 03 The University of Michigan, Ann Arbor, Michigan

Professor Emeritus (August 2003-)

Professor (tenured) of Health Management and Policy, School of Public Health (September
1989-July 2003)

Chair, Health Management and Policy (July 1997-July 2003)

Acting Chair (January 1997-July 1997)

Senior Research Scientist, Institute of Gerontology (Sept 1998-2003)

Research Scientist, Institute of Gerontology (1989-1998)

Director, NIA Public Health & Aging Research Training Grant (1989-2002)

Director, Pew Doctoral Program (1992- 2003)

Dec 83-Aug 89 The University of North Carolina, Chapel Hill, North Carolina

Professor (tenured) of Health Policy and Administration, School of Public Health

Director, Doctoral Program (1988-1989)

Director, Program on Aging, School of Public Health (1983-1989)

Director, UNC-CH Geriatric Education Center (1985-1988)

Aug 81-Dec 83 Health Policy Center, The Urban Institute, Washington, D.C.

Senior Research Associate

Jan 77-Aug 81 National Center for Health Services Research, US Public Health Service,

US Department of Health and Human Services, Rockville, Maryland

Senior Research Manager

Health Services Research Senior Fellow

Health Services Research Fellow

Dec 71-Dec 76 TransCentury Corporation, Washington, D.C.

Senior Vice President and Director of Public Policy Research

Vice President

Project Director

Technical Writer

Nov 70-Dec 71 The Analytic Study Group, Los Angeles, California

Associate Director

Technical Writer

Jan 67-Sept 69 The Dallas Times Herald and The Chicago's American

Newspaper reporter

Jan 65 Dec 65 US Congress, House of Representatives

Staff assistant

Congressional intern

Publications

Funded Projects (Principal Investigator)

- Evaluate an Organizational Change Program in the American Telephone and Telegraph Company:

USDOL, Manpower Administration, April 1971 to December 1971; \$22,000.

Evaluate the Experimental Health Services Delivery System: USDHHS, Health Services and Mental Health Administration, December 1971 to June 1972; \$341,650.

Conduct Short-Term Evaluative Research (Task Order Contract which produced 8 studies): USDHHS, Health Services and Mental Health Administration, June 1972 to June 1974: \$250,000.

Assess the Potential of University Extension Divisions to Conduct Consumer Health Education: USDHEW, Health Services and Mental Health Administration, June 1973 to June 1974; \$48,750.

Evaluate the Health and Social Impacts of the Wilmington Housing Authority Management System: USHUD, June 1972 to September 1975; \$1.3 million.

Describe and Analyze Geriatric Day Care Services in the United States: USDHHS, The National Center for Health Services Research, June 1974 to July 1975; \$146,500.

Conduct the "Social Factors" Portion of an Environmental Impact Statement for a Federal Highway in Pennsylvania: USDOT, June 1975 to March 1976; \$77,000.

Assess the Impact of Selected Administration on Aging Model Projects: Administration on Aging, USDHHS, June 1975 to July 1976; \$125,000.

Analyze the NCHSR Geriatric Day Care and Homemaker Experiments: USDHHS, The National Center for Health Services Research, January 1977 to September 1979; \$300,000.

Design and Implement An Incentive Reimbursement System for Nursing Homes: The National Center for Health Services Research, USDHHS, July 1979 to August 1981; \$3.5 million.

Assess the Potential for Using the Home Equity of Elderly Homeowners to Finance Long-Term Care: The Robert Wood Johnson Foundation, July 1983 to March 1984; \$76,800.

Develop a Research Design to Evaluate Effects of the Medicaid Home and Community Care Act: The Health Care Financing Administration, USDHHS, September 1982 to December 1983; \$237,008.

Case Management for Health Professionals in Long Term Care Training Project: DHHS, October 1985 to September 1986; \$100,000.

Development of a Geriatric Education Center: Bureau of Health Professions, DHHS; October 1985 to September 1988; \$1 million.

A Program Design Model for Geriatric Day Care: The John A. Hartford Foundation, September 1984 to December 1988; \$300,000.

A Prospective Budgeting Model for Home and Community Care: The PEW Charitable Trusts, April 1987 to October 1990; \$370,000.

Small Area Synthetic Estimation of Dependency: The Office of the Assistant Secretary for Planning and Evaluation, DHHS, October 1987 to September 1988; \$50,725.

Evaluation of a Home Care Demonstration Project, contract for data collection design and statistical analysis and interpretation under North Carolina Department of Human Resources project. Home care demonstration funded by DHHS Bureau of Health Care Delivery and Assistance, January to September 1989; \$34,113.

Risk of Institutionalization Comparison, 1977-1985: The Office of the Assistant Secretary for Planning and Evaluation, DHHS, September 1988 to March 1990; \$47,250.

Evaluation of the Arizona Health Care Cost Containment System. Subcontract to Laguna Research under contract to the Health Care Financing Administration, DHHS, October 1989 to September 1994; \$250,000.

Development and Field Testing Prospective Budget and Performance Assessment Model for Home and Community-Based Long-Term Care, The PEW Charitable Trusts, October 1989 to October 1991; \$190,000.

Supplement to Evaluate the Implementation Operations and Impact of the ALTCS, Laguna Research Associates/HCFPA Prime, October 1991 to October 1, 1994; \$194,923.

Identification of Risk Factors for Potentially Avoidable Hospitalization Among Elderly Home Care Clients in Michigan, Michigan Health Care Education and Research Foundation, December 1991 to March 31, 1993; \$49,994.

Pew Doctoral Program in Health Policy Studies, Pew Charitable Trusts, February 1, 1992 to January 31, 1996; \$1,200,000.

Estimating Activity Limitation in the Noninstitutionalized Population: A Method for Small Areas. Office of the Assistant Secretary for Planning and Evaluation, DHHS, October 1992-September 30, 1994; \$38,000.

Comparison of two Methods of Synthetic Estimation of Activity Limitations, National Center for Health Services Research, 1993-1994; \$25,000.

Geriatric Research Training Center, National Institute on Aging, 1984-1994; \$3,435,552.

Health Care Financing Administration Master Contract for Research. 1995-96.

Assessment and Redesign of spDATA System, System Reports, and Tables. Health Care Financing Administration. March-December 1995; \$125,608.

Home Care Risk Groups: A Strategy for Improved Effectiveness and Efficiency. The Robert Wood Johnson Foundation. March 1, 1997-August 31, 1998; \$299,709.

Co-Investigator, AG088808 (Halter, PI), National Institute on Aging, Claude Pepper Older Americans' Independence Center, Sept 1, 1994-8/31/00, \$817,434.

Project Director, US Health Care Financing Administration, Master Contract for Long-Term Care Research and Demonstration (1996-2001).

Public Health and Aging Research Training Program, National Institute on Aging, September 1991 to September 1996- April 30, 2003; \$773,363.

Co-Investigator, HS00053 (Alexander, PI), Agency for Health Research and Quality Health Services Research Training, July 1, 1992-June 30, 2003, \$120,899.

Not for Profit Health Insurance: Maybe the Best Model After All. Blue Cross and Blue Shield of Michigan contract to FSU (W. Weissert, PI). January 2004-March 2005. \$46,000.

Effectiveness, Risk and Value Based Payment for Home Care: Application to Florida's Home Care Programs (W. Weissert, PI). Florida Department of Elder Affairs. Sept. 2004-June 2005. \$42,000.

Courses Developed and Taught

Health Services Organization & Policy (PUP 5930)

The US health care system: organization, access, utilization, costs, quality, financing, malpractice and other aspects.

Health Services Organization & Policy (PUP 4931)

Undergraduate version of The US health care system: organization, access, utilization, costs, quality, financing, malpractice and other aspects.

Intro to American National Government (POS 1041)

Undergraduate American Government.

Health Politics and Policy Analysis (POS 5698) Masters and doctoral Level Instruction in the formation of American health policy and guided policy analysis of a major health policy topic.

Applied Methodology (HMP 865)

Doctoral level instruction in how to conduct health services research from problem identification through data analysis, publication and presentation. Hands-on data analysis.

Research Design (HMP 855)

Research design and policy analysis.

Doctoral Seminar in Health Policy and Administration I (HPAA 300)

A comprehensive review of the literature in the health services research areas of access and utilization of health care services and cost containment strategies.

Doctoral Seminar in Health Policy and Administration II (HPAA 301)

An examination of the health services research literature in such areas as quality of care, case-mix, health promotion and disease prevention, mental health, international health, and reform proposals.

Evaluation Research Methods (HPAA)

Levels and methods of evaluation from feasibility to cost-benefit analysis and their application in a classroom and field exercise.

Geriatric Health and Medical Care (HPAA 174) A comprehensive multidisciplinary introduction to medical, social and policy issues involved in health care of the elderly. Faculty drawn from Schools of Medicine, Pharmacy, Dentistry, Social Work, Nursing and Public Health.

Long-Term Care Policy (HSMP 672) Critical survey of health care policy for the aged, focusing primarily on the issues of access, utilization, long-term care market and reforms, costs and cost containment, and quality. Examination of current policies and their rationality, and proposed directions for long-term care reform.

Methods of Public Policy Analysis (HMP 865)

Research questions, research design, threats to validity, hypothesis testing using T-tests, Chi square and regression models. Methods are applied to policy applications.

Modules: Nursing home policy, home and community care, health services use, and the economic position of the aged taught as modules on long-term care policy in the UNC School of Public Health and other schools.

Politics and Economics of Health Care Policy (HMP 664) Applied methods of policy analysis in health care, including problem identification, criteria selection, specification of alternatives, systematic comparison of benefits, costs and political feasibility.

Politics of Health Care (HMP 684, HMP 685, HMP 853) A comprehensive review of the policy-making process including roles of congress, the bureaucracy, the courts, the states and lobby organizations in defining the agenda and shaping and implementing legislation, regulation and policy. Includes conduct by each student of a major policy analysis.

Health Politics and Policy (PUP5607) Major policy issues in health care policy and, a comprehensive review of the policy-making process including roles of congress, the bureaucracy, the courts, the states and lobby organizations in defining the agenda and shaping and implementing legislation, regulation and policy. Includes conduct by each student of a major policy analysis.

American National Government (POS 1041-5)

Introduction to American Government institutions, policies and behaviors.

Health Services Organization (PUP5605) Patterns and determinants of use, expenditures, premiums and health status in the US, payment policy, the delivery system, public and private health insurance systems, access and uninsured problems, health care quality, malpractice, and other issues.

Health Services Organization (PUP4931) Patterns and determinants of use, expenditures, premiums and health status in the US, payment policy, the delivery system, public and private health insurance systems, access and uninsured problems, health care quality, malpractice, and other issues.

Selected Presentations

"Admission Criteria, Intake Procedures, and Their Consequences for Program Type." Annual Meeting of the Gerontological Society of America, New York, N.Y., October 1976.

"Costs of Adult Day Care: A Comparison to Nursing Homes." Presented at the 30th Annual Meeting of the Gerontological Society of America, San Francisco, CA, November 1977.

"A Randomized Experimental Study of Day Care and Homemaker Services: Utilization, Impacts on Institutionalization, Physical Dependency, and Total Medicare Payments." Preliminary Findings Presented to the 11th International Congress of Gerontology, Tokyo, Japan, August

19-25, 1978.

"Health Services Outcomes of Two Long-Term Care Modalities: Findings from the NCHSR Section 222 Experiments." Medical Care Section, 106th Annual Meeting of the American Public Health Association, Los Angeles, CA, October 17, 1978.

Symposium Organizer and Presenter: "Findings from the Day Care and Homemaker Experiments Conducted by the National Center for Health Services Research." Gerontological Society, 31st Annual Meeting, Dallas, TX, November 19, 1978.

"Research Priorities in Hospital Sponsored Ambulatory Care." Presented to the National Conference on Research Priorities for Health Systems Management, Washington, DC, November 30, 1978.

"Findings from the NCHSR Day Care and Homemaker Experiments." Seminar on Health Services Research, Yale University, March 29, 1979 and October 12, 1979.

"Anticipated Changes in Long-Term Care Systems." Presented to the Conference on Human Resources in the Eighties, Crystal City Marriott Hotel, Arlington, VA, October 8, 1979.

"Accuracy of Prognostic Judgments of Elderly Long-Term Care Patients." Presented at the 107th Meeting of the American Public Health Association, New York, NY, November 5-7, 1979.

"Use of Health Status Measurement in Policy Decision Making." Presented at the 107th Annual Meeting of the American Public Health Association, New York, NY, November 5-7, 1979.

"Encouraging Appropriate Care for the Chronically Ill: Design of the NCHSR Experiment in Nursing Home Incentive Payments." Presented at the 108th Annual Meeting of the American Public Health Association, Detroit, MI, October 19-23, 1980.

"Current and Future Issues in Health Care of the Elderly." Brookings Health Policy Forum, The Brookings Institute, Washington, DC, February 20, 1981.

"Long-Term Care: Priorities for the 80s." White House Conference on Aging, November 30, 1981.

"Innovative Approaches to Long-Term Care and Their Evaluation." Office of Technology Assessment on the Impact of Technology on Long-Term Care." Project Hope, Millwood, VA, Feb.17, 1983.

"Testimony: Improving Veterans Health Care Programs." Comm. on Veterans' Affairs, March 9, 1983.

"National Potential for Using Home Equity to Finance Long-Term Care." Developmental Conference on Home Equity Conversion, April 17-18, 1983.

"Community Care for the Aged: The State of the Art." Blue Cross and Blue Shield Institutes, University of Michigan, June 23, 1983.

"Issues in Evaluating the Medicaid Home and Community Care Program." National Association of State Units on Aging, July 12, 1983.

Testimony: "Organizational Issues in Community Care of the Aged." U.S. Senate Committee on Labor and Human Resources, Subcommittee on Aging, July 14, 1983.

"Financing Long-Term Care Insurance for the Aged - The Potential for Home Equity Conversion." American Public Health Association, Dallas, TX, November 16, 1983.

"Size and Characteristics of the Long-Term Care Population." American Gerontological Society Annual Conference, San Francisco, CA, November 16, 1983.

"Determinants of Institutionalization of the Aged." American Gerontological Society Annual Conference, San Francisco, CA, November 16, 1983.

"Home Equity Financing of Long-Term Care." Health Care Financing Administration Conference on Long-Term Financing, Washington, DC, January 24, 1984.

Briefing: U.S. House of Representatives Subcommittee on Health Staff, January, 1984.

"Hard Choices: Targeting Community Care to the High Risk Aged." Northwestern University Health Services Research Center Seminar Series, Evanston, IL, February 1, 1984.

"Cost Effectiveness of Community Based Long-Term Care: Pilot Test Results from North Carolina." Presented to the North Carolina Legislative Study Commission Committee on Medical Cost Containment, April 18, 1984; the Legislative Study Commission . Committee on Aging, April 24; and the N.C. Department of Human Resources Long-Term Care Advisory Committee, March 15, 1984; Raleigh, NC.

"Seven Reasons Why It Is So Difficult to Make Community Based Long-Term Care Cost Effective." Association for Health Services Research, Chicago, IL, June 12, 1984.

Symposium Organizer: "Hard Choices - Targeting Long-Term Care Services to the High Risk Aged." Association for Public Policy Analysis and Management Annual Meeting, New Orleans, LA, October 18, 1984.

"Testimony: Home Equity Conversion for Long-Term Care Financing." U.S. Senate Committee on Finance, Subcommittee on Health, Washington, DC, November 3, 1984.

"Institute of Medicine Committee on Nursing Home Quality Assurance Reform: Case Mix Reimbursement for Nursing Homes, Problems and Prospects." American Public Health Association, Anaheim, CA, November 11, 1984.

"Determinants of Nursing Home Discharge Status." American Public Health Association, Anaheim, CA, November 12, 1984.

Speaker, Alliance for Care, Miami, FL, March 8, 1985.

Testimony, Elderly Respite Care Services, North Carolina Gen. Assembly Comm. on Aging, May 30, 1985.

Speaker, Illinois Hospital Assn Board of Directors Annual Retreat, Woodstock, IL, July 11, 1985.

Speaker, Duke Center on Aging and VA GRECC Seminar Series, May 28, 1985.

Speaker, Capital Health Systems Agency, Inc. Annual Meeting, April 10, 1985.

"Provider Incentives and Disincentives for Provision of Comprehensive Care to the Elderly." American Hosp. Assn. Council on Research and Development, Chicago, IL, September 9, 1985.

"Community Care: Cost-Effectiveness and Future Directions." National Conference on Health Policy and Quality of Care for Older Americans, Alexandria, VA, November 12, 1985.

Speaker, Workshop for Key Staff of Geriatric Education Centers (Bureau of Health Professions, DHHS) at National Geriatric Education Center Conference in Boston, MA, February 10-11, 1986.

"National Study of Adult Day Care - Study Design and Preliminary Findings." Action Plan for Diversification Seminar of the Professional Development Institute, American Association of Homes for the Aging, Atlanta, GA, March 6, and Chicago, IL, June 19, 1986.

"Home and Community Based Long-Term Care: 20 Years of Findings and Future Directions." National Veterans Administration Health Services Research and Development Meeting, Boston, MA, June 26, 1986.

"Adult Day Care in the Eighties: Preliminary Findings from a National Probability Sample." APHA Convention, Las Vegas, NV, October 1, 1986.

"Home Care: An Information Synthesis" and "Preliminary Findings from a National Survey of Adult Day Care Services" in Costs and Benefits of Alternative Modes of Delivery, Michigan Geriatric Education Center, Geriatric Scholar Program, Ann Arbor and Lansing, MI, October 7-8, 1986.

"Comparative Analysis of Community Care: Future Research Recommendations." Annual Scientific Meeting of the Gerontological Society of America, Chicago, IL, November 21, 1986.

"Home and Community Care Cost-Effectiveness: The Evidence Thus Far." National Conference of State Legislatures, Dallas, TX, April 24, 1987.

"Home and Community Long Term Care: Where We've Been and Where We Go From Here." Council for Jewish Elderly Living at Home Project, Evanston, IL, September 23, 1987.

"Hospital-to-Nursing Home Placement Delays: A Pilot Study." Annual Meeting of the American Public Health Association, New Orleans, LA, October 19, 1987.

"Estimating the Demand for Home and Community Care Services" and "A Prospective Budgeting Model for Home and Community Based Care." Department of Clinical Epidemiology and Biostatistics, McMaster University, Hamilton, Ontario, November 12, 1987.

Symposium: "A Prospective Budgeting Model for Home and Community Care Based on 30 Years of Research Findings." Annual Meeting of the Gerontological Society of America, Washington, DC, November 19, 1987.

"Legislative Study Priorities for the Elderly." State of North Carolina Legislative Research Commission Study Committee on Gerontology, Raleigh, NC, November 24, 1987.

"Home and Community Care as a Substitute for Institutional Care." State of New York Department of Health, Albany, NY, December 15, 1987.

"Estimated Percent of Institutionalized and Functionally Dependent Elderly in the U.S." Bureau of Analysis and Program Evaluation, Department of Health, State of New York, February 10, 1988.

"Utilization Management: The Future is Now." The Lavenhol Horwath/Interstudy Conference on the Future of Long Term Care, Minneapolis, MN, June 9, 1988.

"Post Acute Placement Delays to Nursing Homes: Do We Know As Much As We Think We Do?" In Session on Post Acute Care in the Post-PPS Era. Annual Meeting of the Association/Foundation for Health Services Research, San Francisco, CA, June 28, 1988.

"Testimony on Senator Edward M. Kennedy's Lifecare Insurance Program." Committee on Labor and Human Resources of the United States Senate, August 3, 1988.

"Some Recent Findings from Health Services Research: Possible Implications for Public Policy and Consequences for Primary Care Practice." The Society for Internal Medicine, Raleigh, NC, November 8, 1988.

Symposium: "Adult Day Care--An Option in the Custodial Care Continuum: Findings from a National Survey." Annual Meeting of the Amer. Public Health Assn, Boston, MA, November 15, 1988.

Discussant. Session: "Medical Care Contributed Papers IV: Long Term Care." Annual Meeting of the American Public Health Association, Boston, MA, November 15, 1988.

"Small Area Variation in Functional Dependency among the Aged, Synthetic Estimates for States and Counties." In Session on Functional Decline, Disability and Mortality in Older Adulthood. Annual Meeting of the American Public Health Association, Boston, MA, November 16, 1988.

"Private Long-Term Insurance: Solution or Part of the Problem?" The University of North Carolina School of Public Health Board of Advisors Meeting, Chapel Hill, NC, December 2, 1988.

"Home and Community Care for Functionally Impaired Elderly People: Where Do We Go from Here?" Andrus Gerontology Center and Leonard Davis Institute, University of Southern California, Los Angeles, CA, March 13, 1989.

"Home and Community Care for Functionally Impaired Elderly People: Where Do We Go From Here?" Presented to Faculties of School of Public Health, U-M, Ann Arbor, Michigan, March 23, 1989.

"Adult Day Care: Findings from a National Survey." Annual Meeting of the National Council on Aging, New Orleans, LA, March 30, 1989.

"Development of a Prospective Budgeting and Performance Assessment Model for Community-Based Long-Term Care: Progress Report." Annual Meeting of the National Living at Home Program, Chicago, IL, May 16, 1989.

"Findings from a National Survey of U.S. Adult Day Care Centers." Fourteenth Meeting of the International Association of Gerontology, Acapulco, MX, June 20, 1989.

"Evaluating Geriatric Assessment Units: Working Group Recommendations." Veterans Administration Geriatric Assessment Unit Research Conference, Washington, D.C., September 7-8, 1989 (participant).

"Toward Cost-Effective Home Care: Findings, Lessons, Objectives." Department of Veterans Affairs Eighth Annual Symposium on Geriatrics and Gerontology, St. Louis, Missouri, September 14, 1989.

Presentation to the U-M Institute of Gerontology External Advisory Board, Ann Arbor, Michigan, September 26, 1989.

"Alternatives in Long-Term Care." U-M HSMP Alumni Institute, Ann Arbor, MI, October 6, 1989.

"Policy and Administrative Issues in Geriatrics Programming." U-M Geriatrics Center Seminar in Geriatrics Program Development, Ann Arbor, Michigan, October 25, 1989.

"Data and Methods for Long-Term Care Planning." Michigan Department of Public Health, Certificate of Needs Standards Group, Lansing, Michigan, October 27, 1989.

"The NIH Review Process, One Reviewer's Perspective." U-M Institute of Gerontology Health and Aging Seminar Series, Ann Arbor, Michigan, November 3, 1989.

"Targeting Community-Based Services for Quality." International Conference on Quality Assurance and Effectiveness in Health Care, Toronto, Ontario, Canada, November 10, 1989.

"Strategies for Cost-Effective Home Care." Health and Social Services Commissioner, Erie County (Buffalo) New York, December 6, 1989.

"Toward Cost-Effective Home Care: Findings, Lessons and Objectives." Michigan Department of Public Health, Office of Services to the Aging, Lansing, Michigan, December 7, 1989.

"Strategies for Cost-Effectiveness in Home and Community Care." University of Minnesota, Minneapolis, Minnesota, December 15, 1989.

"Determinants of Institutionalization of the Elderly." Michigan Department of Public Health, Long-Term Care Ad Hoc Advisory Committee, Lansing, Michigan, January 26, 1990.

"Long-Term Care Insurance, A Look at What's Available." Regional Conference for AARP Volunteer Officials, Eastern Michigan University, Ypsilanti, Michigan, January 30, 1990.

"Long-Term Care Insurance, A Look at What's Available." Insurance for Nursing Home Care, a Special Program Sponsored by the U-M Annuitants' Association, Ann Arbor, MI, March 6, 1990.

"Will Private Long-Term Care Insurance Relieve Some of the Burden of Financing Long-Term Care?" Sixth Ann. Private Long-Term Care Insurance Confer., Orlando, FL, March 7-8, 1990.

"Long-Term Care Insurance: Some Consumer Concerns." Northwest Senior Resources, Inc. Senior Awareness Day, Traverse City, Michigan, April 18, 1990.

"Why Offer Home Care?" U-M Institute of Gerontology Health and Well-Being Among the Aged Research Retreat, Ann Arbor, Michigan, May 15, 1990.

"Long-Term Care Insurance: An Update." U-M Blue Cross/Blue Shield National Health Care Institute, Ann Arbor, Michigan, June 14, 1990.

"Cost-Effectiveness of Home Care." The Fourth Canadian Conference on Health Economics, University of Toronto, Toronto, Ontario, Canada, August 27, 1990.
